Recommended Manipulatives

For our supplemental curriculum (grades K - 5)

We tried to use standard manipulatives with our curriculum as much as possible. We recommend the following manipulatives.

2-Color Counters
Square Color Tiles
Snap Cubes
Cuisenaire rods (esp. for grades 3 - 5)
Pattern Blocks
Double-6 Dominoes
Prime Climb
6-sided dice
10-sided dice
<u>Tiny Polka Dot cards</u> (grades K - 2 only) - free start version <u>here</u>
<u>Prime Climb</u> (grade 3 - 5 only)

You can also find virtual versions of almost everything above at: mathigon.com/polypad
