## Rules

Take turns rolling a die as many times as you like.

If you roll 2, 3, 4, 5, or 6, add that many points to their score for the turn.

You may choose to end you turn at any time and “bank” your points.

If you roll a 1, you lose all your unbanked points and your turn is over.

Beginner Game: The first player to score 50 or more points wins.

Advanced Game: The first player to score 100 or more points wins.
